

OPTIONAL PROGRAM ENROLLMENT - Mt. Prospect

Optional programs are a way of bringing enrichment activities to Park View Montessori children, while saving parents valuable time in transporting children to lessons. Professionals in their respective field conduct these programs. Children will be removed from their class on the day the optional program is offered for the time specified. Classes are once a week (4 lessons per month.)

Optional programs must be paid in advance by the first of each month and may be included with tuition. Parents who have outstanding balances at anytime will not be allowed to enroll in the optional programs. If an optional program teacher is absent, missed classes will be made up. No adjustments will be made if a child misses a class due to illness or vacation. **Your child will continue attending the Optional classes each month unless the office is notified in writing (prior to the 1st of the month) otherwise, parent will be responsible for monthly tuition (refer to Parent Manual).**
