

**PRESCHOOL - 2008  
OPTIONAL PROGRAM ENROLLMENT**

Optional programs are a way of bringing enrichment activities to Park View Montessori children, while saving parents valuable time in transporting children to lessons. Professionals in their respective fields conduct these programs. Each class meets once a week for a total of four sessions a month.

Optional programs must be paid in advance the beginning of each month and may be included with tuition. If an optional teacher is absent, missed classes will be made up. No adjustments will be made, however, if a child misses a class due to illness or vacation. Parents wishing to enroll very young children who are new to the school or any child who is insecure are requested to wait a few months to allow for a period of adjustment to the school. The office must be notified if an optional program is dropped, otherwise, parent will be responsible for monthly tuition (refer to Parent Manual)
